ECOTOR GOLD-20 CAP

Composition:

- **Atorvastatin 20mg**
- **Clopidogrel 75mg**
- **Aspirin 75mg**

General Information:

ECOTOR GOLD-20 CAP is a combination medication designed to support cardiovascular health by lowering cholesterol levels, reducing blood clot formation, and thinning the blood to prevent blockages in blood vessels. It is prescribed for individuals at risk of heart attack, stroke, or other cardiovascular complications.

Class:

- **Atorvastatin:** HMG-CoA reductase inhibitor (statin).
- **Clopidogrel:** Antiplatelet agent.
- **Aspirin:** Non-steroidal anti-inflammatory drug (NSAID) with antiplatelet properties.

Indications and Uses:

- Prevention of heart attacks and strokes in individuals with cardiovascular disease.
 - Management of high cholesterol and triglycerides.
 - Reducing the risk of complications in patients with a history of angioplasty or bypass surgery.
-

Common and Less Common Side Effects:**Common Side Effects:**

- Headache
- Nausea
- Dizziness
- Stomach upset
- Muscle pain

Less Common Side Effects:

- Allergic reactions like rash or itching
 - Increased liver enzymes
 - Gastrointestinal bleeding
-

Doses and Administration:

- Take one capsule daily, preferably after meals, or as prescribed by your doctor.
 - Swallow the capsule whole with water. Do not crush or chew.
-

Warnings and Precautions:

- Regularly monitor cholesterol levels and liver function tests.
 - Use with caution in patients with a history of liver disease or gastrointestinal issues.
 - Avoid excessive alcohol consumption while on this medication.
-

Drug Interactions:

- Avoid combining with other anticoagulants or blood thinners without medical advice.
- Inform your doctor about any ongoing medications, including pain relievers or herbal supplements.

Contraindications:

- Known allergy to any of the components.
 - Active liver disease or severe kidney impairment.
 - History of bleeding disorders or gastrointestinal ulcers.
-

Dos and Don'ts:**Dos:**

- Take the medication exactly as prescribed by your doctor.
- Maintain a heart-healthy diet and exercise routine.
- Inform your healthcare provider of any side effects.

Don'ts:

- Do not skip doses or stop the medication without consulting your doctor.
 - Avoid consuming grapefruit or grapefruit juice while on this medication.
 - Do not use if pregnant or breastfeeding unless prescribed by your doctor.
-

Before Taking:

- Inform your doctor of any pre-existing medical conditions, especially liver, kidney, or bleeding disorders.
 - Mention any ongoing medications or supplements you are taking.
-

Quality Assurance:

ECOTOR GOLD-20 CAP is a premium product from **Econ Healthcare Pvt Ltd**, designed with the highest standards of quality and effectiveness.
