**Product Name:** ECOTOR-10 TAB

**Composition:** Atorvastatin Calcium 10mg

### General Information

ECOTOR-10 TAB contains Atorvastatin Calcium, a statin medication that helps reduce high cholesterol and triglyceride levels in the blood. It belongs to the drug class **HMG-CoA Reductase Inhibitors**. This medication lowers the "bad" cholesterol (LDL) while increasing the "good" cholesterol (HDL), thus supporting cardiovascular health.

### Indications and Uses

- Management of high cholesterol (hyperlipidemia)
- Prevention of cardiovascular diseases like heart attacks and strokes
- Supporting patients with risk factors such as diabetes, hypertension, or obesity

### Common and Less Common Side Effects

#### Common Side Effects:

- Headache
- Nausea or upset stomach
- Muscle pain or weakness
- Diarrhea

**Less Common Side Effects:**

- Allergic reactions like rash or itching
- Elevation in liver enzymes
- Difficulty in breathing

**Doses and Administration**

- Typically taken once daily, with or without food.
- Dosage may vary depending on your cholesterol levels and doctor's recommendations.
- Always swallow the tablet whole with water, preferably at the same time each day.

**Warnings and Precautions**

- Regularly monitor liver function tests while on this medication.
- Avoid consuming excessive alcohol as it may increase the risk of liver problems.
- Inform your doctor if you experience unexplained muscle pain or weakness.

**Drug Interactions**

- Avoid combining with other cholesterol-lowering drugs (e.g., fibrates) without consulting your doctor.
- May interact with antibiotics, antifungal medications, or blood thinners.

**Contraindications**

- Not recommended for patients with liver disease or persistent elevation of liver enzymes.
- Avoid if allergic to Atorvastatin or any of its components.

**Dos and Don'ts****Dos:**

- Take the medication as prescribed by your doctor.
- Follow a low-fat, low-cholesterol diet along with regular exercise.

**Don'ts:**

- Do not stop taking the medication without consulting your doctor.
- Avoid consuming grapefruit or grapefruit juice, as it may interfere with the medication.

**Before Taking ECOTOR-10 TAB**

- Inform your doctor about any pre-existing liver or kidney conditions.
- Discuss if you are pregnant, planning to become pregnant, or breastfeeding.
- Provide a complete list of medications you are currently taking.
