Brand Name: ECOTOR-40 TAB

Composition: Atorvastatin Calcium 40 mg

General Information

ECOTOR-40 TAB contains **Atorvastatin Calcium 40 mg**, a lipid-lowering medication belonging to the **statin class** of drugs. It is widely prescribed to manage high cholesterol levels and reduce the risk of cardiovascular diseases such as heart attacks and strokes. Atorvastatin works by inhibiting an enzyme (HMG-CoA reductase) in the liver responsible for cholesterol production, leading to lower LDL (bad cholesterol) and triglyceride levels while increasing HDL (good cholesterol).

Drug Class

Statins (HMG-CoA Reductase Inhibitors).

Indications and Uses

- Treatment of high cholesterol (hypercholesterolemia).
- Management of mixed dyslipidemia.
- Prevention of cardiovascular events like heart attacks and strokes.
- Reducing cholesterol in patients with a family history of heart disease.

Common and Less Common Side Effects

Common Side Effects:

- Headache
- Nausea
- Diarrhea
- Muscle pain or weakness
- Fatigue

Less Common Side Effects:

- Elevated liver enzymes
- Rashes
- Joint pain
- Unexplained muscle tenderness
- Abdominal discomfort

If side effects persist or worsen, consult your doctor immediately.

Doses and Administration

- Take ECOTOR-40 TAB **once daily** or as directed by your doctor.
 - It can be taken with or without food.
 - Swallow the tablet whole with water.
 - Follow your doctor's instructions for dosage based on cholesterol levels and response to treatment.
-

Warnings and Precautions

- Do not consume alcohol as it can affect liver function.
 - Avoid grapefruit juice, as it can interfere with the medication.
 - Regular liver function tests may be required during treatment.
 - Report any unexplained muscle pain, tenderness, or weakness immediately.
 - Use with caution in patients with kidney or liver disorders.
-

Drug Interactions

- May interact with other cholesterol-lowering drugs (e.g., gemfibrozil).
 - Caution with certain antibiotics (e.g., erythromycin, clarithromycin).
 - Avoid combining with antifungal medications like itraconazole.
 - Inform your doctor about any other medications or supplements you are taking.
-

Contraindications

- Allergy or hypersensitivity to Atorvastatin or any of its components.
 - Active liver disease or unexplained abnormal liver tests.
 - Pregnant or breastfeeding women.
-

Dos and Don'ts

Do:

- Follow your doctor's prescribed dosage.
- Maintain a healthy diet low in cholesterol and fats.
- Exercise regularly and adopt a healthy lifestyle.

Don't:

- Stop taking the medication without consulting your doctor.
 - Consume alcohol or grapefruit juice.
 - Take ECOTOR-40 TAB if you are pregnant or planning pregnancy.
-

Before Taking ECOTOR-40 TAB

- Inform your doctor if you have a history of liver or kidney disease.
 - Discuss any ongoing medications, including herbal supplements.
 - Inform your doctor if you are pregnant, breastfeeding, or planning pregnancy.
-
