Brand Name: MLV TAB

Active Ingredients:

- Vitamin D3 (1000 IU)
- Methylcobalamin (1500 mcg)
- Alpha Lipoic Acid (100 mg)
- Pyridoxine Hydrochloride (3 mg)
- Folic Acid (1.5 mg)

General Information:

MLV TAB is a combination of essential vitamins and nutrients designed to support overall health. It contains Vitamin D3, which helps in calcium absorption and bone health, Methylcobalamin, a form of Vitamin B12 that aids in nerve function, Alpha Lipoic Acid, a powerful antioxidant, Pyridoxine Hydrochloride (Vitamin B6), which supports brain health and metabolism, and Folic Acid, which is essential for cell division and the formation of red blood cells. This combination helps in improving energy levels, maintaining healthy nerve functions, and supporting the immune system.

Class: Multivitamin Supplement

Indications and Uses:

MLV TAB is used to prevent or treat vitamin deficiencies, especially in individuals with low Vitamin D3, Vitamin B12, B6, and Folic Acid levels. It is beneficial for promoting healthy nerve function,

improving energy levels, supporting bone health, and enhancing overall metabolic function. It may also be helpful in managing conditions like neuropathy, fatigue, and anemia.

Common Side Effects:

- Nausea
- Headache
- Dizziness
- Mild gastrointestinal discomfort
- Fatigue

Less Common Side Effects:

- Skin rashes
- Itching
- Swelling or tenderness in the body
- Allergic reactions (rare)

Dosage and Administration:

Take one MLV TAB once a day or as directed by your healthcare provider. It is recommended to take this tablet with food to reduce the risk of stomach upset. Always follow your doctor's advice regarding dosage.

Warnings and Precautions:

- Consult your doctor before starting MLV TAB if you are pregnant, breastfeeding, or planning to become pregnant.
- If you have a history of kidney problems, allergies, or other chronic conditions, inform your doctor.
- If you experience any unusual side effects, contact your healthcare professional immediately.

Drug Interactions:

- MLV TAB may interact with certain medications, including diuretics, antacids, and other multivitamin supplements.
- Inform your doctor if you are taking any prescription or over-the-counter medications, especially those for bone health, anemia, or nerve conditions.

Contraindications:

- MLV TAB should not be used by individuals allergic to any of its ingredients.
- Individuals with a history of hypercalcemia (high blood calcium levels) or kidney disorders should avoid this supplement unless otherwise directed by a doctor.

Dos and Don'ts:

- **Do** take the medication as directed by your healthcare provider.

- **Don't** exceed the recommended dosage without consulting your doctor.
- **Do** store the tablets in a cool, dry place and keep them out of the reach of children.
- **Don't** take MLV TAB if you are allergic to any of its components.

Before Taking MLV TAB:

- Always inform your doctor about your complete medical history, including any existing conditions or ongoing treatments.
- Ensure that your doctor is aware of any vitamin or mineral supplements you are currently taking to avoid any potential interactions.

Quality Assurance:

MLV TAB is a high-quality product from **Econ Healthcare Pvt Ltd**, manufactured to the highest standards of quality and safety. For more information or any queries, please feel free to contact us.
